

Family Evacuation Plan

Agree it as a household before you ever need it — Flash Wildfire Services

Fill this in together, before fire season. A rehearsed plan turns an evacuation order into a calm procedure. Keep a copy in each vehicle and in your kit.

Household & Contacts

Household members _____

Out-of-area contact _____

Their phone _____

Local emergency line _____

Municipal alert sign-up _____

Roles — who does what

Grabs the documents _____

Handles pets _____

Handles medications _____

Gets the children _____

Loads the vehicle _____

Meeting Points

If together — leave to _____

If separated — meet at _____

Backup meeting point _____

Routes & Transport

Primary route out _____

Backup route out _____

Vehicle that leaves first _____

Where the kit is stored _____

Alert vs. Order

Evacuation ALERT means be ready to leave on short notice — kit by the door, vehicle fuelled. Evacuation ORDER means leave now. Don't start packing on an order; that work is already done.
